Highlights for dining, is the Thai Salathip's classic riverside pavilions, you'll savour delicious royal Thai cuisine to the accompaniment of a traditional Thai orchestra and graceful dancing. Tussanee Putkaew, Chef de Cuisine, is a royal traditional Thai Chef in the classic style. Her specialities are traditional yams (salads) and stir-fried dishes.

Another great idea is to enjoy the Horizon Cruise offering an Asian and international buffet while cruising along the Chao Phraya River, a unique experience to see Bangkok highlights by night and taste the delicious buffet.
